

## HELȚIANU, CONSTANTINA

*Cariera profesională:* Institutul de Endocrinologie, « C.I.Parhon », (1966-1978); I.B.P.C. N.Simionescu (1979-2012); doctor în chimie.

*Monografii:* **Heltianu C.**, Guja C., Manea S-A, Genetic determinants of microvascular complications in type 1 diabetes, in “Type 1 Diabetes Complications”, chapel 4, 2011, InTech Open Access Publ., ed. D.H.Wagner Jr; **Heltianu C.** Relationship of polymorphisms in candidate genes to endothelial function and development of atherosclerosis. In “Cellular Dysfunction in Atherosclerosis and Diabetes-Reports from Bench to Bedside” 2004, 129-139, eds. Simionescu M., Sima A., Popov D.;

*Articole științifice:* **Heltianu C.**, Guja C., Role of Nitric Oxide Synthase Family, J. Diab.Metab., Special Issue: Diabetic Neuropathy, 2155-6156 (2011); Manea SA, Manea A, **Heltianu**

**C.**, Inhibition of JAK/STAT signaling pathway prevents high-glucose-induced increase in endothelin-1 synthesis in human endothelial cells, Cell Tissue Res. 340:71-79 (2010); **Heltianu C.**, Manea S.A., Guja C., et all, Correlation of low molecular weight advanced glycation end products and nitric oxide metabolites with chronic complications in type 1 diabetic patients, CEJB, 3: 243-249 (2008); **Heltianu C.**, Costache G, Gafencu A, et all, Relationship of eNOS gene variants to diseases that have in common an endothelial cell dysfunction, J Cell Mol Med., 9:135-42 (2005); Gafencu A, **Heltianu C.**, Burlacu A, et all, Investigation of IgG receptors expressed on the surface of human placental endothelial cells, Placenta, 24:664-76 (2003); **Heltianu C.**, Costache G., Poenaru L., et all, Endothelial nitric oxide synthase gene polymorphisms in Fabry's disease, Clin Genet., 61:423-9 (2002). Moldovan N.I., **Heltianu C.**, Simionescu, N., Ultrastructural evidence of differential solubility in Triton X-100 of endothelial vesicles and plasma membrane, Exp.Cell Res., 219:309-31 (1995);

*Premii științifice:* 1974, premiul “Gheorghe Marinescu”; 1991 premiul “Emil Racovita” al Academiei Romane; 2002, Prix de la Présentation la plus originale attribué par MPS et VML Paris (France); 2003, Agora diabetes award of Romanian Society of Diabetes Nutrition and Metabolic Diseases;

*Prezente in Who's Who:* Enciclopedia personalitatilor din Romania (Verlag für Personenzyklopädien AG, Zug), 2006; biographe member of the Marquis Who's Who, 2011.
